About this booklet

This document is a Product Disclosure Statement (PDS) and is also our insurance policy wording. Other documents may comprise our PDS and we will specifically tell you if this is the case in the relevant document.

This document contains important information to help you understand this insurance. It is up to you to choose the cover you need. Any advice in this document is of a general nature only and has not considered your objectives, financial situation or needs. You should carefully consider the information provided having regard to your personal circumstances to decide if this insurance is right for you.

What makes up your insurance contract

This QBE policy wording and Product Disclosure Statement and the schedule must be read together as they form your insurance contract.

This policy sets out what you are insured for and those circumstances where you will not be insured.

Some words and expressions have been given a specific meaning in this policy. You will find their meaning in Definitions (The meaning of some words) on page 4 to page 9.

Provided we receive the premium, we will insure you as set out in this policy and schedule in respect of an incident occurring during the period of insurance.

Important note: Sometimes we need to change the wording of your policy because the insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find all endorsements that apply to your policy printed on your schedule.

Your sum insured

Making the wrong assumptions about your sum insured, or the costs to replace your contents at today's prices, can lead to under insurance and could cost you dearly.

To help make calculating your sum insured easy we have available for you on-line sum insured calculators that can assist you in determining your sum insured. You will find these sum insured calculators by visiting our website www.qbe.com.au/personal/home and follow the links to the home insurance page. Alternatively, you can call us on 133 723 and we can arrange to send you QBE's Home Checklist guide. This will also help you to determine your sum insured.

Remember that the cost of replacing your contents varies over time, so it's important to re-evaluate your cover each year, taking into consideration new purchases. Although we make an average adjustment to your sum insured for inflation each year, we suggest you review this increase to ensure it's enough for you.

When your home unit is unoccupied

If your home unit is left unoccupied, cover may be reduced. Please see the table below for details:

If your home unit is	unoccupied for up to 30 days	unoccupied for more than 30 days	unoccupied for more than 60 days

All other policy coverage, terms and conditions remain unaltered.	no cover for: <ul style="list-style-type: none"> × fire; × explosion; × theft; × vandalism and malicious damage; × water or other liquid; or × glass breakage.

The above will apply unless you have advised us and we agree to provide full policy cover in writing.

Our agreement will take the form of an endorsement. We will send you a schedule to confirm your policy has been extended to insure you for a greater period of time.

Your proof of ownership

At the time of making a claim you will need to provide evidence of value and ownership. We will also require evidence of value for high risk items or valuables whether specified on the policy or not. This evidence can be a combination of:

- receipts;
- a recent valuation provided by an Australian qualified valuer;
- instruction manuals;
- guarantee or warranty certificate;
- catalogues;
- make, model and serial number;
- photographs or video film of the item.

Proof of valuation – jewellery, gold or silver articles

Jewellery, gold or silver articles, regardless of whether they are specified contents or specified valuables, must have the valuation as listed in the table below. If the evidence required by us is not provided, your claim will not be processed.

More than \$25,000	A valuation must be sighted by QBE prior to the item being specified on your schedule.

Your premium

What is premium?

Premium means any amount we require you to pay under the policy and includes Government charges.

You pay the premium – we insure you

Provided we receive the premium, we will insure you as set out in this policy and the schedule in respect of an incident occurring during the period of insurance. When you apply for this insurance, you will be advised of the premium. If you choose to effect cover, the amount will be set out in the schedule.

How your premium is calculated

We take various factors into consideration when calculating your premium including:

- the sum(s) insured;
- the address of your contents and/or valuables covered;
- any no claim bonus discount to which you may be entitled to on your contents;
- your insurance history;
- the security features of your home unit;
- the construction and age of your home unit;
- the level of excess you choose to pay;
- the frequency with which you choose to pay your premium;
- the cost of any optional benefits you have selected.

The premium also includes compulsory Government charges including Stamp Duty, GST and any Emergency Services Levy (where applicable).

When you pay your premium at least twice a year or more, your premium may be increased by an amount to cover certain costs associated with instalment payments.

Ways to reduce your premium

You may be eligible for the following discounts we offer:

- No Claim Bonus discount

No Claim Bonus is a premium discount awarded for not making a claim. A No Claim Bonus discount increases each year that you remain claim free until you reach our maximum discount. Based on the claims lodged during the period of insurance, your policy's No Claim Bonus will be adjusted when you renew your policy and this can either:

- increase (up to our maximum No Claim Bonus),

- decrease, or
- remain the same.

- Over 50's discount

If any of the named policy holders of this policy are over 50, we will give you an over 50's discount.

- Retirees discount

If a listed insured person is over 50, retired and no longer working full time, we will give you a retiree discount. This discount is not applicable on valuables insurance.

Other ways you can help reduce your premium:

- Increase your security

We provide discounts when you have installed advanced operational security measures such as deadlocks on all external doors and keyed window locks, local and monitored alarms or a fixed home safe. This discount is not applicable on valuables insurance.

- Choose a higher excess

You can choose a higher excess for a reduced premium. Your schedule will indicate the excess applicable in the event of a claim. Please refer to pages 57 to 59 for more information on excess options. This option is not available on valuables.

- Pay your premium annually

By paying your premium annually, you won't pay for extra costs associated with instalment payments.

Overdue premium

Paying your premium on time is important because it affects your insurance. If you have not paid by the due date or your payment is dishonoured we may cancel the policy, providing you with written notice. If you pay your premium by instalments and any instalment remains unpaid for 1 month or more we may refuse to pay a claim.

Instalment payments

If you are paying your premium by instalments we will specify on your schedule when we will deduct the first instalment. Thereafter, instalment payments will be debited on the date and frequency you have nominated.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if these details change no later than 7 days before your next instalment is due.

We will not pay a claim under this policy if, at the time the claim occurred, any premium instalment has remained unpaid for 1 month or more.

We may deny part or all of your claim if you or your family are not truthful and frank in any statement you make in connection with a claim, or if a claim is fraudulent or false in any respect. We will report any suspected fraudulent act to the Police for further investigation.

How we settle your claim

Your contents and/or valuables

What we pay

Where this policy insures your contents and/or your valuables and we accept your claim, at our option we will pay for the reasonable cost of:

- repairing, or
- replacing, or
- pay you what it would cost us to repair or replace, your contents and/or valuables.

How much we will pay

Repairing	Where we choose to repair damaged contents, we will pay the reasonable cost of repairing the item that can be economically repaired. If the item is a high risk item we will only pay the reasonable cost to repair the item up to the limit stated in the table 'High risk items with limits' on pages 18 to 19. If the item is a specified contents item or a valuables item, we will pay up to the specified limit.
Replacing	If an item cannot be economically repaired we will replace the item with a new one substantially the same, regardless of the age of the item. But if the item is:
<i>High risk items</i>	<ul style="list-style-type: none"> a high risk item, we will only replace the item with one worth up to the limit shown in the table 'High risk items with limits' on pages 18 to 19 for that item;
<i>Specified contents</i>	<ul style="list-style-type: none"> a specified contents item, we will replace the item with one worth up to the sum insured for that item listed on the schedule;

Monetary settlement

When the item cannot be replaced

If we agree that the item cannot be replaced, we will pay the lesser of:

- the retail value of the item; or
- if the item is a high risk item, the limit shown in the table 'High risk items with limits' on pages 18 to 19 pertaining to that item; or
- if the item is a specified contents item, the sum insured for that item listed on the schedule; or
- if the item is a miscellaneous valuables item, the item limit shown on the schedule; or
- if the item is a specified valuables item, the sum insured for that item listed on the schedule.

When you do not want a replacement item

If you do not want us to replace the item, we will pay the price you would have received for that item from a licensed second-hand dealer.

If the item is:

- a high risk item listed in the table 'High risk items with limits' on pages 18 to 19 with a retail value exceeding the stated limit and it was not listed on your schedule as specified contents; or
- an item covered under miscellaneous valuables with a retail value exceeding the limit shown on your schedule;

we will pay only the price a licensed second-hand dealer would have paid you for the item had you wanted to sell it, assessed on the basis that it had a retail value of the high risk item limit (shown in the table 'High risk items with limits' on pages 18 to 19) or the miscellaneous valuables limit shown on the schedule.

Important note: An insurance policy is designed to repair or replace items which are stolen or damaged. If you would like us to pay you instead of replacing the item we will only pay you the amount you would have received if you had sold the item.

Monetary settlement (continued)	<u>For example:</u> if you bought a high risk contents item for \$2,000 but did not specify it to us for inclusion as specified contents on your schedule and the item has a policy limit of \$1,000, we will treat this item as if it was one bought retail for \$1,000.
Pairs, sets and collectibles	If the item for which you are claiming forms part of a pair, set or collection, we will only pay the reasonable cost of replacing or repairing that item. We do not pay for any special value the item may have as part of the pair, set or collection. We will not pay for: <ul style="list-style-type: none"> x any special value an item may have as part of a pair, set or collection; x where an item is a specified item, either as a part of your contents or your valuables, we will pay no more than the proportion of the specified sum insured equal to the proportion which the item represents of the pair or set.

Your contents and valuables

We will not pay:

- x to upgrade your contents and valuables if they are over insured;
- x for modifications to rectify a fault that is causing loss or damage to your contents and valuables under this policy.

Multiple insured

If more than one person is insured under this policy, we will treat a statement, act, omission or a claim by an insured person as having been made by all of them.

How claims administration and legal proceedings are undertaken

When a claim is lodged under this policy, we have the right at our discretion to exercise all the legal rights of an insured person relating to the incident and to do so in their name.

We will take full control of the administration, conduct or settlement of the claim including any recovery or defence that we may consider necessary.

We will also report any suspected fraudulent act to the Police for further investigation.

Repairer information

We have the right to nominate the repairer or supplier to be used.

Your excess

An excess is the amount you must pay each time you make a claim. We deduct the excess from the amount of your claim. If we agree to pay a claim, the excess applied will be either the excess set out in your schedule or the excess applicable to the section of this policy you are claiming under.

Basic excess	This excess applies to all claims in respect to contents unless otherwise stated. The amount of this excess is shown on your schedule. You have the option to adjust your basic excess. Doing so will also adjust your premium. Refer to section 'Ways to reduce your premium' on pages 23 to 24 for more information. Any change of excess you make cannot be backdated.
Earthquake and tsunami excess	All claims for earthquake or tsunami have a minimum excess of \$250. If your basic excess is higher than \$250, the higher amount will be deducted for any claim for earthquake or tsunami. <u>For example:</u> Basic excess: \$500 Earthquake excess: Minimum \$250 Excess required for earthquake claim: \$500

Optional benefit excesses	
Extended contents in storage cover	<p>All claims for theft, vandalism, water or other liquid, storm, rain or flash flood damage to contents whilst in storage have an excess of \$500 or the policy basic excess whichever is the higher.</p> <p><u>For example:</u></p> <p>Basic excess: \$250 Contents temporarily in storage excess: \$500 Excess payable in the event of a claim: \$500</p>
Accidental damage excess (minimum)	<p>If you have selected and paid for 'Accidental loss or damage to your contents' a minimum excess of \$250 is payable for all claims of accidental damage or loss. If your basic excess is higher than \$250, the higher amount will be deducted from any claim.</p> <p><u>For example:</u></p> <p>Basic excess: \$500 Accidental loss or damage to your contents excess: \$250 Excess required for an accidental loss or damage contents claim: \$500</p>

How your excess is paid

If you make a claim on your policy we will deduct the excess from the amount of your claim.

After we have paid a claim

If we pay a claim for the total sum insured

- Your policy with us ends; and
- is deemed to have been fulfilled; and
- there is no refund of any premium; or
- if you have been paying your premium by instalments we will deduct any unpaid instalment amount up to your policy renewal date from the total sum insured.

If we pay a claim for less than the total sum insured

- Your sum insured remains the same as it was before the claim.

For example: if your contents sum insured is \$40,000 and we pay a claim for theft of contents for \$8,000 your sum insured remains at \$40,000.

If we pay a claim on miscellaneous valuables

If we pay a claim on miscellaneous valuables for less than the total sum insured, your sum insured remains the same as it was before the claim.

If we pay a claim on specified valuables

If we pay a claim on specified valuables for the total specified sum insured, then that item is no longer insured under this policy. Any replacement item must be added to this policy for it to be insured and an extra premium paid to us.

Important note: Following a claim on a specified item you should make sure that the replacement item is added to your schedule.

No Claim Bonus discount

If you make a claim under your policy, we will reduce your No Claim Bonus discount by one level at the next renewal date of your policy.

Salvage

We are entitled to any salvage value on recovered items and damaged items that have been replaced.

Contribution

Where the incident insured by this policy is also insured under another policy elsewhere and we have paid more than our reasonable share of your claim, we may exercise our right to seek contribution from the other insurer or insurers.

Important information

Your duty of disclosure

New business

What you must tell us

When answering our questions, you must be honest and you have a duty under the law to tell us anything known to you, and which a reasonable person in the circumstances would include in answer to the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under this insurance and on what terms.

Who needs to tell us

It is important that you understand you are answering our questions in this way for yourself and anyone else who is an insured under this insurance.

If you do not tell us

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel your insurance. If you answer our questions fraudulently, we may refuse to pay a claim and treat the insurance as never having worked.

Renewals, variations, extensions and reinstatements

Once your insurance is entered into and is no longer new business then your duty to us changes. You are required before you renew, vary, extend or reinstate your insurance, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under this insurance, and if so, on what terms.

You do not have to tell us about any matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know or should know or, in the ordinary course of our business, we ought to know;
- as to which compliance with your duty is waived by us.

Non-disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the insurance in respect of a claim or may cancel the insurance.

If your non-disclosure is fraudulent, we may also have the option of avoiding the insurance from its beginning.

You must disclose to us all previous claims

You are asked at the time you take out this insurance to give us full and correct details concerning any:

- renewal or insurance policy declined, cancelled or refused, or where any excess was imposed;
- claim refused by an insurer;
- claim made;
- criminal conviction or finding of guilt for an offence;

in relation to you and your family because any of these may affect the premium and extent of insurance.

For example: we may be entitled to:

- charge you an additional premium;
- impose (back-dated) restrictions including declining your insurance back to when this information should have been provided;
- decline to insure your contents or valuables;
- refuse a claim.

When renewing your policy with us you must also advise us of any changes to your:

- claims;
- insurance; or
- criminal history.

We will notify you in writing of the effect a change may have on your renewal.

Changes to the information you have given us

It is important to advise us of any changes to information you have given us, otherwise your insurance may be affected. Changes would include:

- should you move address;
- changes in the occupancy of your home unit;
- purchasing new items which increase the value of your contents (you will need to revise your contents sum insured to ensure you are adequately insured);
- purchasing a high risk item of the kind listed on pages 18 to 19 worth more than the stated limit.

We may require you to pay an additional premium as a result of these changes. You must pay the additional premium before these changes come into effect.

Important note:

If you move to a new home you must inform us otherwise you will have no insurance at the new address except under the standard benefit 'Cover when you move sites' on page 38 if this policy insures your contents.

If you move and do not tell us

You must notify us when you change your place of residence.

This insurance and premium payable is based on the address you have provided, which is shown on the schedule. You may have to pay an additional premium as a result of changing your address. If you change address and you do not inform us you will have no insurance at the new address except in respect to the standard benefit 'Cover when you move sites' on page 38 if applicable.

Keep receipts

You should keep receipts, invoices or other evidence of ownership and value of all property that you insure because if you make a claim you will be asked to prove ownership and value in order for us to pay the claim.

This policy is a protected policy under the Financial Claims Scheme (FCS), which protects certain insureds and claimants in the event of an insurer becoming insolvent. In the unlikely event of QBE becoming insolvent you may be entitled to access the FCS, provided you meet the eligibility criteria.

How GST affects any payments we make

The premium payable for this policy is subject to GST. When we pay a claim, we will pay an amount up to the sum insured, less any Input Tax Credit (ITC) you are entitled to.

When you make a claim, you must tell us if you are registered for GST, and if so your correct Australian Business Number and Taxable Percentage. Your Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.

If, after we have assessed your claim, you are required to enter into a contract with a third party to replace or reinstate lost or damaged items that we have agreed to pay under this policy, you will enter into that agreement with the third party as our agent unless advised otherwise.

If you have any questions about how GST may affect your policy or claim you should see your tax or financial advisor.
